EMPLOYMENT OPPORTUNITIES

PRIVATE EVENT INTERN

Blue Hill at Stone Barns is looking for skilled, motivated individuals in search of a unique internship in the hospitality industry.

Over the past 10 years, co-owners Dan, David and Lauren Barber have cultivated a unique farm-to-table experience at their two restaurants: Blue Hill, in Greenwich Village, and Blue Hill at Stone Barns, located on an 80-acre working farm and educational facility 30 miles north of midtown Manhattan.

Dan Barber, Blue Hill's Executive Chef/Co-Owner, is regarded as an expert in the field of sustainability and local agriculture. In spring of 2006, Dan received the James Beard award for Best Chef: New York City, and in 2009 was named James Beard's Outstanding Chef. Time Magazine featured him in their 2009 edition of "Time 100", an annual list of the world's most influential people.

We are excited to offer a 3-month, unpaid internship to a dedicated applicant interested in gaining valuable experience working with our private events team. Interns will be responsible for supporting event managers and the event director in all aspects of planning and sales for our two restaurant locations. During the 3 month period you will be exposed to corporate events, weddings, and private dinners and will assist with vendor walk-throughs, client meetings and many other tasks. We will require a commitment of 5 days per week with a flexible schedule, as work days will coincide with our events.

Please email your resume and cover letter in order to be considered for the position.
